Questions:

Please tell us what BA means to you and why you want to staff this awakening retreat?

Staffing the Awakening retreat is about serving others and giving them the same, or better, experience you had. Why do you feel it is important to serve others in this way?

Note: Staff members will not be assigned until the \$25 deposit is received.

Why do you desire for others to encounter Christ?

Please explain your top choices for staff. Why are you interested in those positions?

Expectations:

All Staff

- Strive for a deeper relationship with Jesus Christ on a daily basis
- Pay entire retreat costs on or before the required staff retreat
- Attend all staff meetings to include
 - Staff Training (1st week of the semester)
 - Staff Retreat (1 or 2 weeks before retreat)
 - Table Staff retreat (Tables Staff and Speakers, 1 or 2 weeks before retreat)
 - Staff specific meetings. The frequency of these will vary depending on the staff, all meetings are required.
- Participate in recruitment efforts. While this is guided by the Leadership Team, all staff must use the resources at the disposal to bring people to the retreat. Without the retreaters, we really don't have a retreat.

Staff Heads

- Confirm contact information for each staff member. If it is different than what was provided to you by the Leadership Team, update this through your Pila liaison.
- Schedule meetings with your staff. Some staffs may not need to meet as much as others, but all staffs must meet prior to the retreat. Having a meeting that is just for bonding is important. This will help the staff work together better.

Consent:

I agree to all the expectations of being a staff member of Bear Awakening and understand that not abiding by these expectations may result in being removed from staff. I promise to pay the required deposit and understand that I will not be assigned to a staff until then. I know that final payment is due on or before the staff retreat. Cancellations must be received, in writing, no later than the first day of class for the semester of the retreat to receive a deposit refund and 8 days before the retreat to receive the balance refund.
